County of San Luis Obispo

TO: Board of Supervisors

FROM: Public Works

Glenn Marshall, Development Services Engineer

VIA: Dave Flynn, Deputy Director of Public Works

Wade Horton, Director of Public Works

DATE: 3/15/2016

SUBJECT: Submittal of a resolution commending Douglas A. Rion upon his retirement after 28 years with the County of San Luis Obispo. All Districts.

RECOMMENDATION

It is recommended the Board adopt the attached resolution commending and thanking Douglas A. Rion upon his retirement from the County of San Luis Obispo after more than 28 years of service to the residents of our county.

DISCUSSION

On November 19, 1987, Doug began his County public-sector career with the Assessor's office where he provided mapping and cadastral data services. It was there he was introduced to the world of engineering and surveying at the County which established the basis for his future career decisions. His dreams came to fruition on December 4, 1989 when he transferred into the Department of Public Works as a Senior Engineering Aide.

Over the years Doug has advanced through the engineering series, culminating with his prestigious appointment as County Surveyor by your Board on January 23, 2011. During his long tenure with the Department of Public Works he worked in the Design Division drafting construction plans and providing survey services on numerous capital improvement projects; worked in Development Services Division providing map checking services to the professional community; was actively involved in the development of the County's Geographic Information Systems (GIS) program; and manages the Public Works GIS program. Professionally he remains an active member of the Central Coast Chapter of the California Land Surveyors Association and provides this professional community regular updates.

Doug exemplifies the standard for County employees with his dedication to serve the residents of San Luis Obispo County.

Together with his wife Debbie and their dog Tank, Doug will remain in our community to continue enjoying all our county has to offer. You may find them riding bikes, walking on the beach, gardening about their home or caravanning about in their vintage Airstream.

OTHER AGENCY INVOLVEMENT/IMPACT

The Department of Public Works provides public services related to the safe and efficient movement of traffic on the 1,310 miles of County maintained roadways; engineering and surveying review of proposed land development; administration and operation of numerous water and wastewater wholesale and retail facilities, including the Lopez Water Supply, Nacimiento Water Supply, and Los Osos Wastewater projects; long term master water planning; and franchise administration; all for the benefit of County residents either directly or through partnerships with the County's seven incorporated cities and numerous Community Services Districts. The Public Works Department's Vision is to be a valued community partner enhancing the quality of life for our fellow county residents. For over 28 years, Doug Rion has been a key part of that vision.

FINANCIAL CONSIDERATIONS

There are no financial considerations associated with this action.

RESULTS

The result of your Board's action will provide a much deserved thanks and public acknowledgement of appreciation to Douglas A. Rion for his dedicated 28 years of service to the residents of San Luis Obispo County.
